## The Word of the Lord

For by this time I could have stretched out My hand and struck you and your people with a plague to wipe you off the earth. But I have raised you up for this very purpose, that I might display My power to you, and that My name might be proclaimed in all the earth. [Exodus 9:15](#)

If it's not "Do not fear!", it's 'bambi in the headlights' silence from the institution of the Church about the Coronavirus. I am so demoralized at the continuous flow of mindless platitudes like this from the Church, containing no more discernment, wisdom, understanding, nor guidance than a positive-thinking book, that I'm putting pen to paper to what the Spirit of the Lord is saying. To those of the Elect who have ears to hear, HEAR the Word of the Lord:

*"Fear!.. but fear the Lord!" for the fear of the Lord is the beginning of Wisdom.*

Many of you are feeling blind-sided by the march of the Coronavirus traversing the world, and upending everything in its path—finances, world markets, job security, pensions, schooling, church, industries, the standing of community & world leaders. Unprecedented world economic depression is ahead. I don't feel blind-sided. As a Watchman for the Lord, I've been expecting something to happen, as the sins of the line of the Ammonites has reached its fill and something just HAD TO GIVE. What do I mean by the sins of the Ammonites? Over and over, Yahweh's Word warns us of personal and merciless judgement if people close their eyes and ears when children are being sacrificed in the fires:

*"Any Israelite or any foreigner residing in Israel who sacrifices any of his children to Molek is to be put to death. The members of the community are to stone him. I myself will set my face against him and will cut him off from his people; for by sacrificing his children to Molek, he has defiled my sanctuary and profaned my holy name. If the members of the community close their eyes when that man sacrifices one of his children to Molek and if they fail to put him to death, I*

*myself will set my face against him and his family and will cut them off from their people, together with all who follow him in prostituting themselves to Molek.” Leviticus 20.*

In ancient Biblical times, wicked people threw their children literally into the fire as sacrifices to the demon-idol, “Molek” in order to gain personal power. Molek was the demon-idol worshipped by the Ammonites. In our modern age, we’re still worshipping Molek and as such, we are “of the line” of the Ammonites, too. In our modern age, the sacrifice of children into the fires is abortion and in the recent few years, the formal instruction of homosexuality and gender change/ mutilation to children, through formal school curriculum. The demons and spiritual strongholds from the ancient world still exist today. Where did you think they went? They reappear, generation after generation, but in different forms to deceive God’s people, and sometimes even the Elect. I would say it was only five years ago that the concept of “gender identity” even became mainstream, and already within the last three years, children are having their gender changed by their school counsellors, without the express knowledge or permission of their parents. The International School [International Baccalaureate (IB) curriculum] that our family attended happily for 7+ years suddenly hired a transexual for its primary school counsellor. All the children can see it with their eyes and are talking about it. You can’t get more explicit about your intentions to change children’s sexual orientation and gender identity, than this.

For those of you who know me personally, you know that as a Watchman, I’ve been proclaiming for several years that the Elijah to come ahead of the Second Coming of Christ, as prophesied by Malachi 4 *is here:*

## **Judgment and Covenant Renewal**

*“Surely the day is coming; it will burn like a furnace. All the arrogant and every evildoer will be stubble, and the day that is coming will set them on fire,” says the Lord Almighty. “Not a root or a branch will be left to them. But for you who revere my name, the sun of righteousness will rise with healing in its rays/wings. And you will go out and frolic like well-fed calves. Then you will trample on the wicked; they will be ashes under the soles of your feet on the day when I act,” says the Lord Almighty. “Remember the law of my servant Moses, the decrees and laws I gave him at Mt. Horeb for all Israel. “See, I will send the prophet Elijah to you before that great and dreadful day of the Lord comes. He will turn the hearts of the fathers to their children, and the hearts of the children to their fathers; or else I will come and strike the land with total destruction.”*

Spurred on by a prophetic dream by one of my sons <http://isaacsonofpromise.com/a-sons-dream/>, I’ve been calling out warnings to parents to take back the moral governance of their children, as the thief is already over the fence and among the sheep (John 10). The exhortation in Malachi that “fathers turn their hearts to their children” refers to this. It also refers to much, much more, but fundamentally it is about the healing of this most basic of family-relationships. God uses the foolish things of this world to confound the wise, so please do not make the same mistake and scoff at the idea that Malachi could be referring to something “so simple”. I suppose one could say it is “simple”, but the damages of generational pain and sins between parents and children, are so far-reaching, that it, in fact, is FOUNDATIONAL in all forms of brokenness.

Malachi prophesies that if people will not heed the warnings of Elijah, to turn our hearts back to our children, then God would strike our land with *total destruction* (verses 6). I’ve been saying over and over that God will not give an entire generation of our young people into the Devourer’s hand. Without a serious intervention from God, this is what is ahead. I didn’t know what it would look like, but I knew it was coming. The bearing down of the Coronavirus is only the first wave of how God is striking our land, as retribution for our sins for not safeguarding our children against the Devourer, and an attempt to purify the remnant to do better, going forward.

The sin of the Ammonites has reached its fill as public schools in the Western world have decided to teach sodomy and gender mutilation in its formal school curriculum and parents and children have *no choice out of this*, and it will soon be illegal for parents to even complain about it. Most of the world's population outside of Western nations, would NEVER agree to this, but the Devourer, has a clever work-around this. The formal teaching of sexual immorality to children will be imported into "Eastern" nations through International Schools through the International Baccalaureate curriculum that flows from the United Nations. The United Nations, which has been exporting abortion by dangling foreign aid over non-Western countries and threatening to withhold it unless they participate in abortion, will be exporting sexual immorality, under the radar of non-Western governments, parents through International School curriculum. I, as a parent of children in International School and as an International Educator, myself, found this out the hard way when my 13 year old son was told, "Time will tell!" [You might be gay] by his school counsellor, after he told his class that he was, "straight".

As a Watchman for the Lord, I have been trying to sound the alarm for two years over this, but with few exceptions, my warnings have fallen on deaf ears of fellow "Christians" who prefer to close their eyes and stop their ears, — notwithstanding my pointing out to them the obvious punishment for turning a blind-eye in Leviticus 20: God would personally set his face against those in the community who turn a blind-eye when children are being thrown into the fires. God says that the fear of the Lord is the beginning of wisdom but people are *not afraid of the Lord*, but more afraid of losing their financial security: "The Lord will not do good nor will he do ill" (Zephaniah 1:12). (Much will be discussed later, about the link between financial security and the losing of spiritual discernment.) Leviticus 20 is addressed to *Israel*—not to the wicked and immoral Canaanites who lived nearby. It is a warning to those *within God's family*. If you were not in the

position to hear the Word of the Lord through me, in the past, perhaps the outbreak of pestilence and plague will open your ears, now.

The sin of the Ammonites has reached its full because it's now impossible for any child or young person to escape being thrown into the fires, but God will not give a generation of young people over to the Devourer! Those of you who know me personally have heard me say this, over and over. As such, if you read the punishment for those who don't turn their hearts to their children in Malachi 4, you should not be surprised by the march of the Coronavirus! Corona means, "crown" in Latin. This means it has been *given authority*. It wants to reign! I'm here to tell you that the authority that has been giving to the Coronavirus is from the *very hand of God*.

The fear of God is the beginning of wisdom. Let's start with this. Do not listen to those who say, "Do not fear!". *Listen to me* and I say, "FEAR! Fear very, very much! ... but fear GOD!" This is biblical.

*"At the time I will search Jerusalem with lamps and I will punish the men who are complacent, those who say in their hearts, "The Lord will not do good, nor will he do ill." (Zephaniah 1:12).*

Discard the false teaching that you've believed and been taught all these years that famine (economic hardship), the sword (political oppression), and plague (widespread illness) are from satan! READ the WORD of the Lord. They come *from the very hand of God*, to discipline his children. Time and time again it says, in God's Word, "...and the LORD delivered Israel into the hands of (fill in the blank with any enemy of Israel). God says, over and over, "You will not STAND before your enemies because of *your disobedience*" (Joshua 7). The enemy is NOT satan. It is OURSELVES. God harnesses "the enemy" to discipline his obdurate (stubborn in his immorality) children. The sins of human leadership (kings, government, church leaders, *pastors*) result in plague for the people. See King David in 1

Chronicles 21 and how his own sin unleashed plague that killed tens of thousands of his people. David's sin was *counting his strength in human terms* instead of counting on the strength of God. Do you see any parallels to how we, in our hubris, count our strength by the size of our bank accounts instead of by the strength of Jesus?

If we will not repent of our wicked ways, God will give us over to *complete destruction* (Malachi 4: 6). Stop praying for God to protect you from “the enemy”. Instead, repent for whatever has caused the Lord to lift his heel against you, your nation. Yes, Jesus died for our sins but we should never presume on the grace of God and continue in our blindness to sin, and thereby crucify Christ all over again (Hebrews 6:6). Fear the Lord. Do not fear losing your financial security. You cannot serve God and money. You will love one and hate the other (Matthew 6). It's better to cut off a body part that is causing us to sin than to go into eternal judgement with all our body parts intact (Matthew 5). If your entire being is filled with terror at the Coronaviruses' march, that's a good sign that God is not your first love. Rather, it is money; and financial security has lulled your spiritual discernment so asleep, that you didn't realize it until this moment. May the Coronavirus finally wake you up!

God has unleashed plague into the world to finally up-end our security in money, which has resulted in the throwing of children into the fire. **NOTHING** will be the same. Those of you that I pleaded with to take back the responsibility of the governance of the sexual education of your children will be forced to do so now, as schools close down around the world. That is,—if the Lord saves you from the deadly pestilence. He may not. Those of us, who have been on the front-lines as his soldiers and as his Watchmen for children, at the risk of losing our jobs and financial security (some having already lost it) will escape the deadly pestilence. Why would God allow the plague that stalks the night to take those of us fighting at the front-lines to protect children, away from His work? As for the rest of sleepy

and fence-sitting Christendom, I would be VERY VERY AFRAID, right now. To the “Christians” (and I use the term “Christian”, loosely) who are frozen in fear—let me wake you up and tell you *now is the time to repent and to get your houses in order.*

2 Chronicles 7:14 is directed to GOD’S PEOPLE:

*“If **my people**, who are called by my name, will humble themselves and pray and seek my face and turn from their **wicked** ways, then I will hear from heaven, and I will forgive their sin and will **heal their land.**”*

Let me explain more about what I mean by the sins of the line of Ammonites. Look at the chart on the following page, that the Lord gave me. It explains why choosing financial security over the moral governance of our children results in spiritual sleep which allows all sorts of sexual immorality to spawn:

Leviticus 20  
Malachi 4  
Matthew 18: 1-20  
Revelations 2: 20  
Revelations 11  
2 Kings 3

Root Cause Analysis:

Lot chose financial security in exchange for proximity to sexual immorality. His worship of money over God caused him to lose discernment, and fall into deep spiritual sleep. The evil effects of financial security can be likened to the evil distortive effects of the ring in the "Lord of the Rings," on individuals as it calls out to them.

The consequences for prioritizing financial security over the moral governance of our children spawns everything evil on this chart. Lot lost it all at the end, anyways, as Sodom was completely destroyed by fire. The depravity of the hold that financial security has over its victims is seen as Lot is reluctant to flee Sodom and must be dragged out by angels. Moreover, Lot's wife looks back and pays the ultimate price.

**The Fear of God is the beginning of Wisdom (Proverbs 9:10)**

@ChezVivian

Most of us know that Lot chose the fertile land that gave him “financial security”. He accepted proximity to sexual immorality in exchange for financial security. I don’t think anyone has joined the dots, illustrated by the above chart, of what *that decision* did to his moral compass and what lines of sexual immorality it spawned. Lot’s decision to choose financial security over the moral governance of his children spawned sexual immorality of all variations: incest, pedophilia, homosexuality, abortion, pornography, sexual violence. There is even a link to transgenderism.

So, societies in the comfortable financial prosperity of the West struggle with sexual immorality because of the link between money and tolerance to sexual immorality, as a matter of spiritual principles. The West is bound to pass on this sexual immorality to our children, while the East (not so financially secure) is still awake to the destructive effects of homosexuality and gender mutilation to the family-unit, and thus to society and then to civilization. The plague of homosexuality and gender mutilation as it gains authority over the world will sterilize the world and that will be the end of human civilization. If the Devourer gets his way, society will be composed of half-men/half-women creatures, having “sex” with whatever comes across its path, but unable to reproduce life (biological or spiritual life). Note how the Coronavirus came against ‘Carnivàle’ and Venice, Italy being the epicentre of Carnival, had its carnival festivities cancelled. God is pushing back against Carnival that mocks his sacred image on earth, with this Plague. His image is men & women equal though not the same, exercising His authority over creation and naturally reproducing more likenesses of Him through love. Reproducing children is the closest thing that Mankind has to being God.

Jesus loves his creation so he is going to *save the world from carnival*, just like in the days of Noah. God released the waters to sweep through to clean up the debauchery, and left a remnant for Him to start again. I PRAY that the

Coronavirus will be given authority to do the same. Symbolism in the prophetic realm tells us much. The LGBT appropriated the symbol of the rainbow, but do they know the meaning of the rainbow for God? The rainbow is a promise from God that he will *not destroy the world again by water*, but by FIRE! — as in the furnaces and ashes of Malachi 4. I would not be appropriating the symbol of destruction by fire, if I were they.

Church, STOP telling the world, to “NOT FEAR!” in regards to the march of the Coronavirus plague. The world NEEDS TO FEAR, but *fear the judgement of the Lord* as, FEAR is the beginning of wisdom! If you want to know what is going on with the world, see that it is not a coincidence that this is the season of LENT. Lent is supposed to be a season of self-examination, a season of repentance for our sins, a season of fasting due to grief about our hypocrisy. The fast that God calls us to, is not really about food and denial. It’s about being so upset about the state of ourselves that we lose our appetite for food. God knows that the world cannot sincerely fast, *ever*, for its sins. So, He will now FORCE OUR HANDS to fast—as we’re vomiting out our food, due to illness, —we’ll be fasting!

The word, “quarantine” is latin for “40” and this 40 corresponds to the number of days in LENT. So, a forced quarantine due to the virus is a forced time of LENT for us, and a forced Sabbath for us. Sabbath means, “stop” in Hebrew. We despise the Sabbath of the Lord by treating it like any other day, so He will now force us to Sabbath.

For those of you that want some New Testament support for God judging us for our lack of governance over children, may I refer you to Matthew 18, where Jesus uses his most violent language:

*“At that time the disciples came to Jesus and asked, “Who, then, is the greatest in the kingdom of heaven?” He called a little child to him, and placed the child among them. And he said: “Truly I tell you, unless you change and become like little children, you will never enter the kingdom of heaven. Therefore, whoever takes the lowly position of this child is the greatest in the*

kingdom of heaven. And whoever welcomes one such child in my name welcomes me. **“If anyone causes one of these little ones—those who believe in me—to stumble, it would be better for them to have a large millstone hung around their neck and to be drowned in the depths of the sea. Woe to the world because of the things that cause people to stumble! Such things must come, but woe to the person through whom they come! If your hand or your foot causes you to stumble, cut it off and throw it away. It is better for you to enter life maimed or crippled than to have two hands or two feet and be thrown into eternal fire. And if your eye causes you to stumble, gouge it out and throw it away. It is better for you to enter life with one eye than to have two eyes and be thrown into the fire of hell. “See that you do not despise one of these little ones. For I tell you that their angels in heaven always see the face of my Father in heaven.”**

As angels see the face of God, we reflect God’s face to our children. What sort of image of Father God are we giving our children? Are we a stumbling block to any of them?

These are the Days of Elijah as prophesied in Malachi 4. The great prophet, Elijah, will come before the Day of the Lord to turn the “Fathers’ hearts back to the Sons, and the Sons’ hearts back to the Fathers.” This discernment that I’ve written out, is my attempt, *once again*, to wake up God’s people to take back the moral governance of our children. We are in charge. Not the schools. Not society. Not the government. Not the church. Church and Christian schools are the biggest fence-sitters of all when it comes to guarding sexual morality. They’ve given up the Word of God in regards to sexual immorality, in exchange for *their* financial security (preserving the tithes of its parishioners that they would offend, preserving the government-funding that keeps the schools running.) The reward for their fence-sitting? During quarantine, parishioners don’t tithe (May you lose your church building that you stole offerings designated for God’s poor and used to build your building instead.) Students don’t attend schools during quarantine and parents don’t pay tuition fees for closed schools during Plague. If the church and the schools had put God’s Word first instead of selling out to form alliances with “Egypt”, He would have preserved you.

*“It is the LORD your God, for it is He who gives you the ability to produce wealth, and so confirms his covenant, which he swore to your ancestors, as it is today.” (Deuteronomy 8).*

In other words, if you sell your soul to the Devourer for financial security, expect that you will lose it all in the end anyways. See how Lot lost it all, as Sodom was utterly destroyed. Moreover, he lost his daughters and see all the wickedness that he birthed instead. All of these consequences because he loved financial security above God, above his children. Don't look back with longing over what you've lost either—see what happened to Lot's wife when she did that!

With the plague bearing down on us, will we finally wake up? God is going to RIP our financial security out from under us, in order to wake us up, with this virus! It's already happening. God will strike the land with total destruction if we do not turn our hearts back to our children (Malachi 4). Can you not see it unfolding before our very eyes?

This time of forced Lent is also a time of Passover. If you might recall, the Coronavirus had its start during Chinese New Year. Every new year can be a symbol of Passover, as God first instituted Passover to be during the first month of the Jewish year (Exodus 12). Every Passover has a time called the Feast of the Unleavened Bread. Eating unleavened bread means eating bread without yeast. Yeast, in God's Word is a symbol of hypocrisy and false teaching (Luke 12, Galatians 5). Therefore, the LORD says to REPENT OF OUR HYPOCRISY and turn away from false teaching that has justified our hypocrisy: worship of money, our worship of financial security, the closing of our eyes to abortion and to the teaching of sexual immorality to our children through media, society, and now through formal school curriculum.

Lent is a time for repentance. Since this is all unfolding during Lent, it means that it is not too late for anyone (except, perhaps, with the exception of the

International School whom I warned explicitly about this, a year ago!) For the Elect, —and you know that you are among the “Elect” because you understand everything I am saying within this piece of writing, —it is NOT too late. There is still time to turn back the hand of God because the pestilence is from the hand of the Lord and *His mercies are great*. His curses are to the 3rd or 4th generation, but his blessings to a *thousand generations* (Exodus 20:5-6)! When the Great Pestilence bears down on you and your family and you have your forced Lent, your forced Sabbath, your forced purge of Yeast (examining yourselves for your hypocrisy and false teaching), bow down in humility and ask God for his forgiveness. Cry out to the Lord in sackcloth and true ashes. Perhaps He will spare you and your loved-ones and leave you as part of his remnant to start all over, in your nation.

If God’s people will not turn from its wicked ways, God will force our hand in an attempt to purify us, by putting us through the furnace, as prophesied in Malachi 4. Bring it on, God! Your lambs are crying out for your Return! Those who have been blinded by the enemy of this Age, —the god of Humanism (perfectly represented by the United Nations’ arrogant belief that human wisdom is supreme and can solve any and all problems) will be sifted by the hand of the Lord. (Let’s watch how helpless ‘human wisdom’ in the form of the WHO of the United Nations is, in the face of God’s opposition.)

The entire world will be weighed, and just like in the days of ancient Israel, most will be found wanting and be thrown into the furnace, as branches that never bore any fruit despite so many past pruning. God disciplines his children through famine (economic hardship), the sword (political oppression) and plague (widespread illness) I Chronicles 21. His church has stubbornly resisted repentance despite economic hardship and political oppression. He will go to pestilence, now, with its knock-on effect of famine, too. Maybe even political persecution in the

near-future. But just like for ancient Israel, He will save for himself, a remnant and with this remnant, He will start again.

### **Psalm 91 My Refuge and My Fortress**

He who dwells in the shelter of the Most High  
will abide in the shadow of the Almighty.

I will say to the Lord, “My refuge and my fortress,  
my God, in whom I trust.”

For he will deliver you from the snare of the fowler  
and from the **deadly pestilence**.

He will cover you with his pinions,  
and under his wings you will find refuge;  
his faithfulness is a shield and buckler.

You will not fear the terror of the night,  
nor the arrow that flies by day,

nor the **pestilence** that stalks in darkness,  
nor the **plague** that wastes at noonday.

**A thousand may fall at your side,  
ten thousand at your right hand,  
but it will not come near you.**

You will only look with your eyes  
and see the **punishment of the wicked**.

Because you have made the Lord your dwelling place—  
the Most High, who is my refuge—

no evil shall be allowed to befall you,  
**no plague come near your tent.**

For he will command his angels concerning you  
to guard you in all your ways.

On their hands they will bear you up,  
lest you strike your foot against a stone.

You will tread on the lion and the adder;  
the young lion and the serpent you will trample underfoot.

“Because he holds fast to me in love, I will deliver him;  
I will protect him, because he knows my name.

When he calls to me, I will answer him;  
I will be with him in trouble;  
I will rescue him and honour him.

With long life I will satisfy him  
and show him my salvation.”

In Revelations 18, Babylon is destroyed in a day:

*“In her heart she boasts, ‘I sit enthroned as queen. I am not a widow; I will never mourn.’  
Therefore in **one day her plagues will overtake her**: death, mourning and famine.  
She will be consumed by fire, for mighty is the Lord God who judges her.”*

Babylon is a symbol of sexual immorality. The queen of Babylon is Jezebel of  
Revelations 2:20

*“Nevertheless, I have this against you: You tolerate that woman Jezebel, who calls herself a  
prophetess. By her teaching she misleads, seduces my servants into sexual immorality and the eating  
of food sacrificed to idols.”*

This is why the prophet in Malachi 4 is called Elijah. It is because Elijah  
pulled down Queen Jezebel in the Book of Kings. In Malachi, he pulls down the  
Jezebel of Revelations 2:20—the false prophetess who teaches sexual immorality  
and entices people to meet their needs through idols (like that of Mammon).

Joshua 7 describes what happens to those who take provisions that belong to idols and make them part of their own:

*They have taken some of the devoted things; they have stolen, they have lied, they have **put them with their own possessions**. That is why the Israelites **cannot stand against their enemies**; they turn their backs and run because they have been made **liable to destruction**. I will not be with you anymore unless you destroy whatever among you is devoted to destruction.*

God will not be with us anymore! That is a terrifying thought. Our “enemy” isn’t who we think it is. *It is ourselves.*

The prophet Elijah walked 40 days to Mount Horeb, where he would meet with God. “Horeb” means “glowing heat”. Come and walk with me, Elijah, during the 40 days of Lent to Mount Horeb, where we will meet with the Lord in his purifying fire (glowing heat). Reconfirm your covenant with God at Mount Horeb (Malachi 4), and may He save you for His remnant for a new Earth and a new Jerusalem.

It is my personal hope and prayer that with the removal of the root of financial security that has deadened our spiritual discernment, that we will finally recognize the filthiness of our priesthood and repent in tears, sackcloth, and ashes so that the Lord may remove our filthy robes and exchange it for a crown (Zechariah 3).

COME LORD JESUS!

*What’s true of all the evils in the world is true of plague as well.  
It helps men to rise above themselves.*

-Albert Camus, The Plague (1947)

March 10, 2020

There is always hope because of the powerful weapon of repentance:

### **God Defeats Moab and Ammon (2 Chron 20)**

"Alarmed, Jehoshaphat resolved to inquire of the Lord, and he proclaimed a fast for all Judah... The people of Judah came together to seek help from the Lord; indeed, they came from every town in Judah to seek him... See how Moab and Ammon are repaying us by coming to drive us out of the possession you gave us as an inheritance [Children are an Inheritance from the Lord. Psalm 127]. Our God, will you not judge them? For we have no power to face this vast army that is attacking us. We do not know what to do, but our eyes are on you." All the men of Judah, with their wives and children and little ones, stood there before the Lord. This is what the Lord says to you: 'Do not be afraid or discouraged because of this vast army. For the battle is not yours, but God's. Tomorrow march down against them... You will not have to fight this battle. Take up your positions; stand firm and see the deliverance the Lord will give you... Do not be afraid; do not be discouraged. Go out to face them tomorrow, and the Lord will be with you.'... All the people of Judah and Jerusalem fell down in worship before the Lord... praised the Lord, the God of Israel, with a very loud voice... "Listen to me! Have faith in the Lord, your God and you will be upheld; *have faith in his prophets* and you will be successful." After consulting the people, Jehoshaphat appointed men to sing to the Lord and to praise him for the splendour of his holiness as they went out at the head of the army, saying:

"Give thanks to the Lord,  
for his love endures forever."

As they began to sing and praise, the Lord set ambushes against the men of Ammon and Moab and Mount Seir who were invading Judah, and they were defeated... they destroyed each another!... Then, led by Jehoshaphat, all the men of Judah and Jerusalem returned joyfully to Jerusalem, for the Lord had given them cause to rejoice over their enemies... They entered Jerusalem and went to the temple of the Lord with harps and lyres and trumpets... The fear of God came on all the surrounding kingdoms when they heard how the Lord had fought against the enemies of Israel... And the kingdom of Jehoshaphat was at peace, for his God had given him rest on every side."

Take heart! In Malachi 4:2-3, after the purifying furnace that turns our enemies into ash beneath the soles of our feet, there is blessed healing! It's the *healing* of Elijah, who conquers jezebel and heals her wounding of us, that has made us Orphans, Slaves instead of God's Firstborn Sons walking in their Full Inheritance. I've been listening to God speak about this miraculous outpouring of healing and have been looking for it, for ~20 years:

*"But for you who fear my name, the sun of righteousness shall rise with healing in its wings/rays. You shall go out leaping like calves from the stall. And you shall tread down the wicked, for they will be ashes under the soles of your feet, on the day when I act, says the Lord of hosts."*

Besides the points raised prior, there is much for the Body of Christ to lament and seek repentance for. See the following addenda 1-10:

**Addendum 1:**

Since Malachi 4 ask us to renew our covenant with God, let me be a “Moses-figure” and rephrase the Ten Commandments through the lenses of this Word from the Lord:

1. Do not worship Mammon (money and financial security)
2. Do not worship the physical representations of Mammon, financial security (houses, cars, material possessions)
3. Do not dishonour the name of God by not separating your financial behaviours from the rest of the world, who worships Mammon. You are not Slaves who need to scrape for money from other sources. You are my Sons and I provide for *all your needs*.
4. Do not work on the Sabbath day, as I AM your provider and not Mammon. Respect my sabbath and take time to STOP. Do not spend it like any other ordinary day. Slaves do not get to rest; Sons do. So, proclaim your identity to the world as a Son of mine, and rest!
5. Honour your father and your mother so that you may live long in the land of the Lord your God is giving you. Children, turn your hearts back to your Fathers.
6. Do not murder. Do not abort children. Do not euthanize.
7. Do not commit sexual immorality: sex before marriage, adultery, divorce, homosexuality, pornography, prostitution, pedophilia, incest, sexual abuse, rape, teaching children homosexuality and/or gender mutilation.
8. Do not steal from the Lord your God. By not giving him your First-fruits, by not giving Him “unblemished” offerings (He doesn’t want blemished offerings), by giving Him tarnished silver (offerings from mixed-motives). Contrary to our understanding, God does not want all our offerings—only those that don’t defile his altar. God rejected Cain’s offerings.
9. Do not blame others. Repent for your sins.
10. Do not covet. You are saying that your Father is not providing well for you, when you do.

## **Addendum 2:**

As children of God, we can call ourselves, “Israel” because God’s covenant is also with us, just as it was with ancient Israel. God’s covenant of blessing and protection is for His children if we would obey His Word. Over and over, the Word of God is very clear that we are to look after the vulnerable of our society: widows, orphans, migrants. During your quarantine, you could not spend your time better than by reading the entire Word of God from beginning to ending. Underline every instance that God tells us to look after the widow, orphans, and migrants. Underline every instance that God disciplines Israel for its disobedience and note how He disciplines us (sword—political oppression, famine— economic hardship, pestilence—widespread illness) and remember that “we are Israel”, too.

I would like to reframe God’s commandment to us to look after widows, orphans, and migrants, for our modern society:

**Widows:** single parents, victims of wife abuse, elderly singles

**Orphans:** victims of child abuse, victims of child sexual abuse, children from single parent families, children being thrown into the fire through influences towards sexual immorality from internet pornography, prostitution, LGBT Sex Ed and visits with transsexuals in libraries & schools, children being counselled to change their gender, children being counselled to disobey their godly parents, teens forced into abortion

**Migrants:** refugees, immigrants—no matter what nationality they are. Instead of fearing them, lead them to a transformative life through becoming a Jesus-follower.

**Vulnerable:** the hungry, poor, homeless, sexually abused, elderly, the LGBT—I am not against the LGBT. They are currently ‘last’ in society so when ‘raised up’, they will be first in the Kingdom of God (another Word from God which I will write out, one day). My fight is against LGBT *influences* to make children homosexual and/or gender confused “...and a little child will lead them.” (Isaiah 11). If you want the Kingdom of God to come, follow the leading of children. In other words, follow your heart as you fight to protect children and this is how the Kingdom of God arrives...

### **Addendum 3:**

We are citizens of Heaven living as a colony on Terra Firma (earth). Cut off and repent of our unholy alliances with “Egypt” (charitable status with the government, government funding, our ties to our nation as its ‘state’ church). Cut off our unholy alliances with our overlords to access their riches that pervert our hearts and divide our love for God with allegiance to the idol, Mammon. Our inability to cut off our unholy alliances has its root from our Slave identity. Slaves have an insecure relationship to their Master, so they need a back-up. (Therefore the exhortation to leave “Egypt”. If we are truly Sons of God, we get all our provisions from our Father and we don’t need to look to our overlords. If we will not cut off our ties with Egypt on our own, watch God remove it all from us, so our unholy alliances become a joke on ourselves.

### **Isaiah 31: Unholy Alliance with Egypt:**

Woe to Those Who Rely on Egypt  
Woe to those who go down to Egypt for help,  
who rely on horses,  
who trust in their abundance of chariots  
and in their multitude of horsemen.  
They do not look to the Holy One of Israel;  
they do not seek the LORD.  
Yet He too is wise and brings disaster;  
He does not call back His words.  
He will rise up against the house of the wicked  
and against the allies of evildoers.  
But the Egyptians are men, not God;  
their horses are flesh, not spirit.  
When the LORD stretches out His hand,  
the helper will stumble,  
and the one he helps will fall;  
both will perish together.

*“By faith Moses, when he had grown up, refused to be known as the son of Pharaoh’s daughter. He chose to be mistreated along with the people of God rather than to enjoy the fleeting pleasures of sin. He regarded disgrace for the sake of Christ as of greater value than the treasures of Egypt, because he was looking ahead to his reward.” Hebrew 11:24-26.*

Cut off and repent of our unholy alliances with our ungodly overlords. We are to do as Moses did, which was to repudiate all self-gain that sacrifices our identity as Israel, for the perks of being Egyptian (i.e. give up those cursed charitable tax receipts).

#### **Addendum 4:**

Repent for relying on human wisdom in our spiritual battles, more than on divine powers to tear down the enemy. 2 Corinthians 10:3-6

*“For though we walk in the flesh, we are not waging war according to the flesh. For the weapons of our warfare are not of the flesh but have divine power to destroy strongholds. We destroy arguments and every lofty opinion raised against the knowledge of God, and take every thought captive to obey Christ, being ready to punish every disobedience, when your obedience is complete.”*

Our divine powers against the Plague are

1. Repentance (including for hypocrisy and false teaching)
2. Praying for our Enemies

#### **Addendum 5:**

Repent for trying to implement or teach Holy Spirit, but giving no consequence for the lack of compassion for people, *from which Holy Spirit flows:*

*“Having a form of godliness but denying the power therein. Have nothing to do with such people.” 2 Timothy 3:5*

#### **Addendum 6:**

Nullifying the Word of God by our beliefs and actions rooted in culture and human tradition and not in the Word of God. Our denominational blind-spots.

Every denomination has them. Example: Reducing God to human, explainable terms out of human experience that insult him and are contrary to the Word of God. i.e. Implied or explicit teaching that it is God's will that people are sick. That the sins of Leadership (world leaders, spiritual leaders) have no link to it. See the consequences of King David's sins that resulted in plague on his people (1 Chronicles 21).

*“See to it that no one takes you captive through hollow and deceptive philosophy, which depends on **human tradition** and the elemental spiritual forces of this world rather than on Christ.” Colossians 2:8*

### **Addendum 7:**

Eating the Lord's Supper in an unworthy manner which is eating out of fake repentance and grief and not in genuine joy and celebration. The original Lord's Supper was a real meal, with real joy and fellowship with our brothers & sisters in Christ. Our little cups and chips in our hands are a form of godliness but denying the power therein—a mockery of what Jesus meant to happen during our remembrance of Him during our suppers. There is nothing sacred or of any worth in merely the symbols of a meal. Eat a *real meal* with your church family, and eat it out of joy, not sadness because Jesus lives! Do not eat the Lord's Supper while holding onto a grudge against a brother or sister. It is explicit in scripture that sickness and death are consequences for eating the Lord's Supper in an unworthy manner.

### **Addendum 8:**

Ungodly overlords are put there by God. Pray for them. If you are being persecuted by them, look at yourself because that's the reason for the persecution. Cry out to God for deliverance like Israel, with a repentant heart and our Deliverer

will come (1 Timothy 2:2). Stop attributing so much power to the “enemy”. All things come from the hands of God, including persecution by the enemy (1 Chronicles 21:11-12). Persecution is allowed from God to purify us and to separate the wheat from the chaff (Malachi 4).

**Addendum 9:**

Repent of grieving the Holy Spirit.

We have one mediator and this is Jesus Christ. We sin and cheapen the cost of Jesus’s blood sacrifice by going through a priest.

A pastor, priest is not a gatekeeper of the operation of the Gifts of the Holy Spirit. He is not a judge of the inner witness of the Holy Spirit within you or me. To do so, is to risk him blaspheming the Holy Spirit by pronouncing what is of the Holy Spirit to be human or demonic (Luke 12: 8-10).

**Addendum 10:**

Repent of offering defiled sacrifices & tithes (tarnished silver) at our altars before God: Giving our sacrifices & offerings with mixed motives (for kickback in the form of charitable tax receipts, out of fear, out of guilt, out of pride, for power in the church, for a “show” of our godliness). There is nothing more defiling than to give our last fruits to God. Over and over, it says in God’s Word that he wants our FIRST fruits, our “Firstborn”, our unblemished ‘lambs”. If we do not offer God our first fruits, watch him take *our* first fruits (our Firstborn through sickness or as Prodigal Sons). Not all sacrifices are acceptable to God. God did not accept Cain’s offering. Repent of your offerings that defile his altar, that insult him. He is your FATHER, not your charity. Do not offer to God which costs you nothing.

*“But King David replied to Araunah, “No, I insist on paying the full price. I will not take for the Lord what is yours, or sacrifice a burnt offering that costs me nothing.”* 1 Chronicles 21

Our offerings are to be Alabaster offerings that cost us something—personal gain spilled out and “wasted”, out of devotion to God.

I didn't set out to make 10 addenda, but God has set them out as ten. Perhaps they are an allusion to the original Ten Commandments with equal power if we would observe what they say. Regardless. Come Lord Jesus!
