

My Dear Friends,

My heart is full of so many things that I want to share with you. I don't know how to contain it all. I usually *write* to express myself, but I know that few people have time to read things, nowadays. So, I'm going to speak out the things that are on my heart, instead. You can listen to it while you are driving or doing something about the houses.

Perhaps the Lord wants me to speak out His Word, instead of writing them out. The spoken word has authority in the spiritual realms. God, "spoke" and things came into being. We, as children of God, bear the image of God, so like-wise our spoken Words have authority in the spiritual realms for good and for evil. Therefore, it says in Proverbs that, "Life and death are in the power of the tongue".

The things I share, -- I completely believe are from the Lord but with all things, test it against the scriptures. See if it resonates within your spirit, see whether Holy Spirit testifies to your Spirit that this is God's Word, God's truth, --that *this* is the "ancient path, ...where the good way is, and walk in it, and you will find rest for your souls." (Jeremiah 6:16)

First of all, take in this truth from scripture: Pandemics are always from the hand of God. Woah. Let that sink in for a minute. How does that shift your world-view, right now?

All through the Bible, when plague --in other words, big outbreaks of illness erupted, it was the hand of God disciplining HIS children. When someone gets sick, we don't always know the reasons why, but it is entirely different when it comes to a world-wide pandemic. As we run around hysterical with fear, or we go around stomping in rebellion and anger to human restrictions, --we are showing our lack of understanding of the character of God. We sing about God being oh so powerful, and how much faith and courage we have in him.... then a world-wide pandemic hits and we act no different than the people who do not know Father God. Dear children, this should not be so.

God disciplines his children in three ways in the Bible. He disciplines through sword, famine, and pestilence. See the Biblical account of King David, who made the mistake of counting his strength in human terms. King David counted his strength in the number of fighting men in his kingdom and God's wrath burned against him. The Lord offered King David three punishments: 3 days of plague, 3 months of sword from an enemy of Israel, or 3 years of famine. King David choose 3 days of plague, as he knew that the mercy of God was always a possibility and maybe the plague might even be shortened.

So is it true, that during these days of the Coronavirus, that if we respond in the correct way to God's discipline, he may also shorten our misery.

I don't have time to talk at length of the two other ways that God disciplines his children, which are the sword and famine; but let me say that God disciplines through the sword in the Bible. In our modern age, that means political oppression. God disciplined through famine in the Bible. In our modern age, that means economic hardship. Famine is a result of drought in the Bible as God held back the rains, therefore the world *is* warming up as we near the end of the Age. God's wrath, described as a furnace during the "Great Day of the Lord" in Malachi 4 is warming up the earth, causing drought, which causes famine...

I don't think anyone would disagree that the children of God, all around the world, have been experiencing political oppression and economic hardship. Unfortunately, we have not responded to God our Father's discipline. We have been ignorant like sheep and have not genuinely repented from our hearts, left our sin, changed our ways, returned to our covenant with God our Father;—therefore we are now experiencing the third form of God's discipline, which is pestilence.

Like King David, we have counted our strength in human terms. We are not counting fighting men, but we are counting on the number of dollars in our bank accounts. We have put our security in the idol of Mammon (money), unaware, and now God is stripping that idol from us and most of us have been left naked, pitiful, and terrified as a result. God is separating the chaff from the wheat. The Coronavirus has laid bare our hearts.

Some of us have discovered that we have an idol in money, our jobs, in our health regimes, in our ability to control everything in our lives. We know we have these idols because our lives have been turned upside down, due to Coronavirus being unleashed into the world. Those of us who were rooted in more eternal matters, have found it much easier to handle the disintegration of our earthly lives, as we knew it.

While the rest of the world is freaking out about the economy, I have enjoyed seeing the idol of Mammon take a back-seat for a few brief months....but, I have been disturbed seeing how many Christians were fighting so hard for the economy, not realizing that the answer to saving our economic lives do not lie in political arguments and fights, but in crying out to the Lord in repentance for making money our security and god, for so many years. We have been blind. We have been dumb like sheep.

Do you not think that God, our Father is SO MIGHTY that he could turn off the pandemic in a moment, and open the floodgates of provisions so that our storehouses would not be able to contain it? (Malachi 3). Do you not believe that he could melt the hearts of our political oppressors with fear, or transform them through a Damascus Road experience with the living God!, and completely turn things around?

Oh dear children, it is such a slap to God's face as we run around during the Coronavirus pandemic, behaving as if we have no God..., no heavenly Father who instructs, corrects, that he may once again provide, protect...

We are in the middle of the correction of God, and we are not doing a good job of handling the correction. Instead of looking to God for protection from sickness and death, we are running to the wisdom of Man (doctors, nurses, the W.H.O. in Switzerland) who have proven, very starkly, that they are really weak, foolish humans and don't have the answers, at all. I actually don't think that doctors, nurses, or the WHO believe they are like God. It's the rest of us that have put them on such a pedestal. God uses the despised things of the world to shame the wise. Little bits of dead matter, called viruses, have shamed the Wise and the Learned during this Coronavirus pandemic. We have been worshipping the bronze serpent raised on a pole, when we should have been worshipping the power of healing behind that pole that was first raised up by Moses. That power of healing is God!

Though we are not doing a good job of handling correction from our Father, the very fact we are enduring correction is an amazing, wonderful thing! In Hebrews 12:6, it says, "For the Lord disciplines the one he loves and chastises every son whom he receives". If we were beyond hope, we would be wiped off the face of the earth. The fact that we are only being chastised means all hope is not lost. We can still repent and turn from our wicked ways, that the Lord's face may shine upon us again.

Repent for what? Well, it's pretty ineffective when people "generally" apologize without acknowledging what they've really done wrong. Those of us who are married know how ineffectual it is when our spouses continually say, "I'm sorry. I'm sorry!" but are not able to articulate how they've really wronged us. Likewise with God. He wants to hear in detail that we recognize our sins and how we've broken our covenant with Him, and then hear our determination to change from this point onwards, and how we may make restitution to those we have sinned against.

God wants us to acknowledge and repent for putting our security in our bank accounts. Repent for putting our security in our government and in government social welfare provisions (unemployment insurance, old age pensions). Repent for counting our strength in human terms, just like King David. Repent for counting the number of dollars that we have. Pastors, -- repent for counting how many church members you have because that equates to how much money you can count on. Pastors, repent for looking at the accounting sheets, so that you know who gives a lot in your church and who gives a little. It says in scripture that our righthand should not know what our lefthand is giving. So, how does that look when pastors are treating some people in the church differently than others, because they know the contents of accounting ledgers, -- making it impossible for their church people to give in secret...

Corona means "crown" in Latin. This means that this virus has been given authority by God to reign.... After six months of the pandemic, I can see that the virus's reign is not in the number of people that it kills, but in the fear that it instills. The Coronavirus

reigns in Terror. The terror is all-encompassing and world-wide, affecting almost every individual on earth, whereas the sickness has only a limited reach.

Children of God, we must do what we can in our hearts to turn the hand of the Coronavirus away from us. If we will not humble ourselves, repent of our wicked ways, I'm afraid that the Coronavirus will be unleashed to kill much more broadly in the coming months.

Masks

Let me speak about what God has been showing me about the issue of masks, right now. When something is happening on a grand scale—like on a world-wide scale, myself, as a Watchman for the Lord, is always trying to see what God is doing in the spiritual realms and what satan & his army hoards are trying to do in opposition to it.

Before I start explaining what I see the Lord saying through the issue of masks, can I respectfully ask that you listen to my entire argument before you turn me off? This is because I know that I'm going to offend both sides of the argument with what I'm going to say. I'm not "for" or "against" masks, as I believe the Lord has shown me the correct measuring stick on how to handle the issue of masks—and it's neither "for" or "against" masks. There is a middle ground. Do you believe me? Well, listen and test this Word, according to scripture.

When I saw satan first trying to mask the entire world, I knew that satan was trying to block the image of God as displayed on our faces. There are a lot of references to the face of God and our faces in scripture, if you think about it, which I have been doing a lot of, lately.

First of all, humans bear the image of God.

1. When Moses met with God on Mount Sinai to receive the Commandments on tablets of stone, his face was irradiated by the glory of God. Mose dealt with his by wearing a veil on his face.

2. What does the Apostle Paul say about veiling our faces? Listen to 2 Corinthians 3:18:

"And we all, with unveiled face, beholding the glory of the Lord, are being transformed into the same image from one degree of glory to another"

God wants people who don't know Him to be transformed by the glory of God that radiate from our faces. Satan is trying to block this by veiling the world.

Listen to 2 Corinthians 3:12-17 now:

"Therefore, since we have such a hope, we are very bold. We are not like Moses, who would put a veil over his face to keep the Israelites from gazing at the end of what was fading away.

But their minds were closed. For to this day the same veil remains at the reading of the old covenant. It has not been lifted, because only in Christ can it be removed. And even to this day when Moses is read, a veil covers their hearts. ***But whenever anyone turns to the Lord, the veil is taken away.*** Now the Lord is the Spirit, and where the Spirit of the Lord is, there is freedom. And we, who with unveiled faces all reflect the glory of the Lord, are being transformed into His image with intensifying glory, which comes from the Lord, who is the Spirit."

The fact that lucifer, the Angel of Light, who masquerades as a being who is doing good to you, is trying to mask the faces of all images of God on earth, —-tells me that he is trying with all his might to come against a **great unveiling** of Man's hearts, toward God! Wow. Let that idea sink in. There is something really huge, really incredible, really unprecedented on the horizon —-such that all Man's hearts will be unveiled to the truth of Jesus Christ, —-so huge that lucifer is trying to block out the image of God that sits on our faces with this attempt to universally mask. humans around the world, in one-fell swoop!

Another scripture:

"See that you do not despise one of these little ones. For I tell you that their angels in heaven always see the face of my Father in heaven." Matthew 18:10

This tells me that the attack is very heavy against the children. It is the children who have the most to lose, if they cannot gaze on the image of God on people's faces, including the faces of their godly grandparents, godly teachers, godly pastors!

BUT...the answer to this attack on our faces is NOT to join forces with the dark-side and to show unmasked faces of hate to the world. Is THIS the image of Christ for the world? Unmasked faces of anger and hate? No, indeed it is not. Being unmasked in rebellion, anger, and hatred is even worse than cowering in fear —like we don't have a God, behind our face masks. Scripture says to not be a stumbling block to people whose faith is not quite where ours is at.

There are children of God who are not afraid of the Coronavirus. They rebel against masks and their faces are displaying anger, rebellion, and hate on them. This is not reflecting the image of God towards the world and for our children. What kind of Christian witnesses are we if our faces are contorted with hate and rebellion. It says in scripture that rebellion is the sin of witchcraft. Those of us who move in the supernatural prophetic gifts of the Holy Spirit better beware that if our hearts are in rebellion to the authorities that God has put in place over us, that we are in danger of witchcraft — —in other words, false prophecy.

Remember that God disciplines us through the sword, which is political oppression, in our modern age. Our government has been hand-picked by God to be over us. If we don't like our government, better look first to what sin is in our hearts, that God would discipline us through ungodly governments...

At the same time, if our faces are filled with fear behind our masks, are we really reflecting the image of Christ to the world and to our children? No, indeed. If we are fearful, we show ourselves to not be children of God, but Slaves of God. A Son's position is secure in his family and there is no fear of losing one's place with any little mis-step, but a Slave's is not (John 8).

So, whether we are masked or unmasked, is not really the dividing issue for God. It's what is in our hearts and this is scriptural! God says that he does not judge Man on his appearances but on the state of his heart. You cannot judge a person's heart by whether he is wearing a mask or not during the Coronavirus pandemic. Unfortunately, the entire world is erupting in judgement—on both sides of the debates, including Christians and non-Christians which exist on both sides.

Let me speak to those who are full of fear behind their masks, now:

Bearing the image of God, to be a witness to the world, to help the unveiling of Man's hearts to the truth of Jesus Christ is NOT wearing a mask and trembling in fear behind that mask! Is God so weak that he has no control over the timing and manner of our deaths, that whether we live or die is down to a sheet of paper a few millimetres thick? We should wear our masks out of social courtesy and compassion, understanding that some people are genuinely terrified of getting sick. We should wear our masks so that we are not rebelling against the government authorities that God has placed over us. We should wear our masks to be a good witness to the world— BUT not for a minute should you believe that this piece of paper has any bearing on the timing, manner of your death. ALL these things are in God's hands. Before the creation of the world, God already knew the manner and timing of your death. Do you really think anything you can do, as a human, can have a significant impact on this? —short of abusing our bodies intentionally and suicide which is the ultimate act of rebellion against God.

“A person's days are determined; you have decreed the number of his months and have set limits he cannot exceed. “ Job 14:5

Matthew 10: 29 says

“Are not two sparrows sold for a penny? Yet not one of them will fall to the ground outside your Father's care.”

The King James Bible version says, “And not one of them falls to the ground ***apart from your Father's will.***” If our Father in heaven cares this much about a sparrow's death, how much more does he care about your death! It only happens according to His will. Therefore, you need not fear! There are so many times in the Bible where God tell us to, “Not Fear” yet none of us listen to his Word about Fear. We are showing our broken

child-identity to our Father in heaven, when we fear. We are not secure as His children. We are acting more like a Slave to a Master, who has no security and therefore is full of fear.

Surrender to God the Lordship of the manner and timing of our deaths and be freed of the need to control everything related to our health and life-span. We actually have a lot less control than we think. It took Coronavirus to expose how little control we really have. Be freed of the fear of death. Isn't freedom from the fear of death supposed to be a hallmark of a child of God, yet we're sure not acting like we're free from the fear of death?!

God sets the limits of our lives. No one else. Nothing else. Certainly not a piece of paper. What kind of Father God do you serve? Is He so weak that woops, you touched the wrong thing and therefore 'game over' you're dead? Or, woops—-you spoke to the wrong person at the wrong time and....'game over', you're dead!

Instead our attitudes should be like Job, "Though He slay me, yet will I praise him!"

Now, before the anti-maskers get too happy, let me speak to those of you who are not afraid of the virus and believe in the healing power of God, therefore you hate the masks. You're already half-way there towards freedom from the Coronavirus's Reign of Terror.

But, I'd rather be with Christians, terrified and trembling behind their masks, than to be with unmasked Christians full of anger and hatred, who are busy dismantling the Kingdom of God because we've offended the entire non-Christian world with our arrogance and they are further than ever from allowing Jesus to be Lord of their lives. What does God say about the arrogant and the proud? God says, "Pride comes before a Fall". It is good to have faith and to have security in God, who is the author of healing, who sits behind all doctors, nurses, medicine as the only authority that heals. However, if you are a terrible witness of Christ to the world, you are not exercising faith. You are presuming on the grace of God.

Let me share with you a piece of scripture that will hopefully back up what I say and open your eyes to the truth of what you are really doing:

The word, "Quarantine" comes from the Latin word for "40". As you know, the number 40 is a powerful metaphor in scripture. It refers to the 40 years of wandering in the desert of Israel as it was released from Slavery attempting to get back to the Promised Land. It refers to the 40 days that Moses spent face to face with God. It refers to the 40 days that Elijah travelled to Mt Sinai where Moses met with God. It refers to the 40 days of Jesus's fasting and temptation in the wilderness.

So, the Lord has unleashed Quarantine "40" into the world in hopes of eliciting a time of fasting and repentance, during a time of trial, desert, testing, temptation. Do you remember that the pandemic started right around the time of the 40 days of Lent?

What is the season of Lent for? but to fast, pray, and repent. Unfortunately, Christendom promptly forgot it was Lent and started running around terrified,— like they don't really have a benevolent, faithful, all-knowing Father in heaven looking after their welfare...

Remember Jesus's second temptation— — Satan tempted Jesus to test God's provisions for him in terms of his physical well-being.

Satan tempted Jesus to throw himself off of a high place. Satan tried to deceive Jesus by quoting a portion of the Old Testament found in Psalm 91:

“He will command his angels to lift you up, so that your feet will not strike a stone”.

Satan was tempting Jesus to test God and to PRESUME on the grace of God to look after his physical well-being.

During this Age of Coronavirus and its Reign of Terror, there are many Christians quoting Psalm 91, too, that speaks of God our Father's provision of protection against pestilence:

“Surely he will save you
from the fowler's snare
and from the deadly pestilence.

He will cover you with his feathers,
and under his wings you will find refuge;
his faithfulness will be your shield and rampart.

You will not fear the terror of night,
nor the arrow that flies by day,

nor the pestilence that stalks in the darkness,
nor the plague that destroys at midday.

A thousand may fall at your side,
ten thousand at your right hand,
but it will not come near you.

You will only observe with your eyes
and see the punishment of the wicked.”

See...plague is a punishment of the wicked...

The word, “corona” can also refer to the outermost layer of the sun. So, you can call it the “sun virus”. It says in Psalm 91 not to fear the plague that destroys at midday.

What is strongest during mid day? The sun is! So, Psalm 91 is also saying do not be afraid of the “sun virus”, —the Coronavirus!

Are you failing the 2nd temptation of Christ, when you let satan quote Psalm 91 to you, to tempt you to test the Lord your God, to presume upon his grace, as you act in arrogance and rebellion and go unmasked? Moreover, some pastors are teaching their congregation to go unmasked...

It says in scripture (1 Samuel 15) that rebellion is like the sin of witchcraft. If you have rebellion in your hearts, all those “prophetic words” coming through you to go unmasked, to rebel instead of to repent is witchcraft—false prophecy— a set-up to destroy the children of God. Pestilence may break out in your congregation and wipe out your church bank accounts and then that will be the end of your ministry, the end of your calling, and perhaps the end of your life.

Just like God, I take a hardline against people who say they know the truth but live in hypocrisy.

There are preachers suggesting to their congregants that they be dishonest and lie about the fact they are exempt from wearing a face-mask or carry a false asthma puffer to get exemptions.

Now, which father is the father of lies? Children of God, do not be deceived by false prophets who get their prophetic Words from the Father of Lies.

So, in summary:

Wear your mask so you don't offend or terrify people, as that doesn't bring unbelievers closer to God, but do not tremble in fear behind it. Put your security in God who is able to deliver you from the deadly pestilence with or without the mask. Wear your mask in compassion for the broken who do not have a loving, powerful God, as their father. Instead of putting your energy towards a crusade against masks, how about putting that same energy into street evangelism. No one is exempt from the Great Commission to bring the Good News to the world, and especially during this terrible time of Coronavirus when men's hearts are suddenly searching for spiritual answers, ... hearts are now softened to receiving the Gospel. What are you doing about this opportunity?

The radiant face of God will outshine the barrier of those masks. Think about Jesus on the Mount of Transfiguration. His face and garment radiated with the glory of God, as he met with Moses and with Elijah, before his final battle to go to the cross. Do you think a mask could ever block out the glory of God? Of course, not.

The sun of righteousness will rise with healing in his rays, it says in Malachi 4. We behold the sun of righteousness on our faces and then our faces radiate with Jesus's glory and reflect his almighty, loving, powerful image.

It's worse to be unmasked but have a distorted image of God on our faces. It's a world-wide pandemic. The fields are ripe for harvest. So many people are more tender and open to hearing about spiritual things, now. I've given out so many copies of the Gospel of John during the pandemic. I'm emboldened as I see people struggling and crying out for a life line. It's like they're drowning and I have to throw them a lifesaver. I can't spend time thinking about my own discomforts when someone is drowning, but I just HAVE to throw a lifeline. So, I am giving out the Gospel of John...this is people's lifeline during a world-wide pandemic. I have a friend who is doing street evangelism during Covid, unmasked, and sharing the gospel with street people and the homeless! Think about how brave her and her team are! They've not fallen sick yet, either. God has met their bravery, their courage, and their faithfulness with protection from the Coronavirus.

If you want to prolong your life on earth, I would suggest that you spend the time during the Age of Coronavirus doing something truly significant to advance God's kingdom, that requires courage and risk-taking and then God will have reason to leave you on earth longer, to labour in his fields longer.

You'll not be able to share the gospel if people are running from you because your unmasked faces are terrifying them.

I'm not speaking from a position of pride, about all this. I was weaker, more fearful, and lacked spiritual understanding more than most when the pandemic started. It's because of the rhema Word of God breathed into being in front of me, opening my eyes-- that I've been able to make this journey from captivity to Fear to freedom from the Coronavirus's Reign of Terror.

When the virus was starting to go out of control in China, I was panicked way more than most people around me. I spent 10 years as an adult living in Hong Kong, so I'm more intimately acquainted than most with the seriousness of SARS and Covid-19 is related to the SARS virus. Around 20 years ago, my then 18 month old daughter fell ill and had pneumonia and was on life support, including a ventilator for 3 weeks as her life hung between life and death. I will share the story of her testimony one day. The Coronavirus sounds eerily very similar to what we went through. She came out of the infection with damaged lung tissue. In fact, the doctors said that her left lung was dead and gangrenous and would have to be removed as soon as possible, due to fears of reinfection. After coming out of ICU, were we to lose her again in surgery to remove her lung? It was a horrendous time— and our faith alternated with sheer terror, like tidal waves that rose and fell the heights of mountains, over and over... I will share her story in more detail at a future date, but long-story made short, God miraculously breathed life back into that dead lung and she never needed surgery. She was healed of her pneumonia, healed of lung damage. My husband and I have already put the Spirit behind Coronavirus (what I call the Python spirit) under our feet. (I don't have time to speak more about the demonic stronghold of Python, right now, but let me mention that it is the demonic Spirit that squeezes the spiritual breath out of people.

Holy Spirit is described as the Breath of Life. Sometimes, Python literally squeezes out the breath of people on the way to squeezing out Holy Spirit in them, which is their spiritual breath. That would be anything that damages the lung,—including pneumonia, lung disease, lung cancer, lung damage. Coronavirus is pneumonia and lung damage. Python also squeezes to paralyze people literally and also metaphorically through Fear. Some people are suffering physical paralysis due to Fear of the Coronavirus reigning in their Spirits.

Satan's most powerful weapon is lies injected into the mind that eventually result in mental illness. Therefore, some people suffering from Coronavirus experience delusions and paranoia. Anyways, I will speak more about Python, in future podcasts.

So, having come out of such an experience—when God had healed my 18 month old daughter of pneumonia and then lung damage (a miracle!), I really should have had more courage and faith during the beginning of the pandemic. Instead, I was freaking out more than most people because I had seen first-hand through my daughter's illness, how quickly illness can destroy someone's health and kill. She went from pneumonia to ICU in only 48 hours. She would have died that first night in ICU if God had not intervened.

I was experienced enough with illness that when I saw the virus make its way to Italy, I knew that it would only be a matter of time before it spread throughout the world. I was not naive to the seriousness of pneumonia. I should have had more faith and more courage because God had healed my daughter and delivered us, but I didn't. I was still looking with natural eyes at the start of the Pandemic.

I needed the rhema Word of God to tell me what exactly was happening, and that took time. Now, I'm completely the opposite of what I was at the beginning of the pandemic, and this is because I heard the voice of God speak to me about what is really happening with the Pandemic. I started seeing things through Spiritual eyes. I'm sharing all the things that God has been speaking to me about, in hopes that this rhema Word of God may set you free from fear, too.

I was telling some friends that faith and courage are like muscles. We have to exercise those muscles little by little. Every time we exercise our faith and find the courage to step out of the house and we return home, safe and sound;—the more our faith muscles build so that we can step out again with more courage and more faith the next time. And so forth...

Not an hour had passed from when I was telling my friends this idea that another friend telephoned and asked for my help to bring him arm weights. Oh my, that was God confirming to me that what I was telling my friends was true. Faith and courage are muscles and we can build them by exercising them.

If God is calling you to do certain things for his kingdom, don't let fear of the Coronavirus stop you from doing them. This is exactly what satan, the thief who

steals, kills, and destroys, wants you to do. Exercise some baby-step towards what God is asking from you. If it's God's will that you do this, He will certainly send some big sign to you, to encourage you to flex those courage and faith muscles a little bit more, the next time. Little by little, you will be walking and living as if we're not in the middle of a pandemic, except for the times that you have to wear a mask and have to socially-distance yourself from others who aren't quite where you are at, in terms of faith and courage, or to respect the laws of the land. I'm talking to those who are held in captivity to Fear and don't dare venture out of their homes and narrow bubbles, -- with the hope they will start to live and move in the Holy Spirit as if they're not in a pandemic. I'm not talking to those with hubristic arrogance that makes them act like there is no pandemic going on, by presuming on the grace of the Lord. There is a difference here--THE difference that separates the sheep from the goats during the fire of God's furnace through the Coronavirus.

I must tell you that I am so upset at how awful it feels to try and worship God through singing and now have to do that, through a mask. I believe that our music, our voices are like incense that rise before the throne of God, offering him sweet perfume, like the fragrant offering in biblical times of roasted lamb. Today, the sacred incense is our worship in song. To wear a mask while singing seems to be a horrible attack on this, --blocking the sweet incense and smoke of our worship from rising to the heavenlies. Still, I sing through my mask because right now we have no other choice.

Today is Sept 27th. It is Yom Kippur according to the Jewish calendar. It is the Day of Atonement, when God's people repent of their sins. In Biblical times, this was when the sacrificial lamb was sacrificed to atone for the sins of the people during that past year. In our modern times, we no longer have to sacrifice a lamb, as Jesus became that sacrifice once and for all time afterwards. Still, it doesn't mean that we don't have to live repentant lives and most of us, don't. Our lives have been too comfortable that we were never truly motivated to search for sin and to truly regret sin.

I believe that the Reign of Terror, through the Coronavirus is to break God's people's stubborn hearts in half, that we may truly repent of our wickedness.

2 Chronicles 7:14 says:

“If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.”

Repenting to God in general terms is not going to do it. We have to repent with full acknowledgement of our sins, before God will heal our land. Note the part about seeking God's face. We need to seek God's face, that we may reflect his face on our faces. Lucifer knows that this is about to break forth on the earth, --the unveiling of people's hearts around the world to the truth of Jesus Christ, and so he is trying to come against this by masking us all...

I have mentioned how counting our strength in human terms will cause pestilence to break out, just as it did for King David. In our context, that would be counting the dollar bills in our bank accounts. In future podcasts, I will go into more detail about how the sin of how we're handling our money shows that we have an idol of money (mammon) and this is one of the reasons that Coronavirus has been given authority to attack us.

If you feel that this is a Word from God because Holy Spirit testifies to your spirit that it is a true Word, then please subscribe to my Youtube channel and send this podcast to two friends. I choose two, because God sent out his Witnesses in pairs. If this is God's Word, it won't need coercion or manipulation to go out in the world. It will go out by the hand of God—two by two.

Dear Children of God, we are in the middle of the metaphorical 40 days of wandering the wilderness, the 40 days of fasting, the 40 days of temptation, the 40 difficult days that Elijah spent travelling to Mount Sinai, after defeating jezebel. As long as we're in social isolation during the Coronavirus *quarantine*, we are in the middle of the metaphorical 40 Days. Remember that "quarantine" means 40 in latin. The pandemic started during the Christian season of Lent, so God wants us to LENT during this Age of Coronavirus. Lent is a time of fasting, of crying out to the Lord, a time for self-examination and a time for repenting.

During Lent is also the Jewish Feast of Unleavened Bread. Unleavened bread is bread without yeast. Scripture says that yeast is a metaphor for false teaching and hypocrisy. During our season of quarantine, examine yourself for false teaching and hypocrisy.

Ever since my daughter's miraculous healing, God has been speaking to me about how his children don't really act like his children. They act more like Orphans or like Slaves. I call this broken Sonship. We are all Sons of God, because only Sons in the ancient Hebrew culture received the Inheritance. The Inheritance includes Prophecy, Priesthood, and Kingship. Prophecy is pretty self-explanatory. Priesthood means the ability, as an intercessor, to pray for the sick and they will be healed. Kingship means authority over the spiritual realms and that means deliverance of demonic affliction and possession.

As Sons of God, we all have the Full Inheritance, but due to wounds from our parents and parent-figures, and the brokenness of our world, we all suffer wounds to our identity as Sons of God. We veer off into two broken identities. Some of us veer off to a wounding called Orphan. Orphan is characterized by, "casting off of restraints". I got this descriptor through a prophetic Word that came through another person. I did not invent this phrase. "Casting off restraints" means the inability to restrain oneself. Others of us will veer off to a wounding called Slave. Slave is characterized by gripping too tightly. This wounding was first presented to me as a picture of a corset tightly wound around a friend's chest,—where her breathing apparatus is. All of us travel along a horizontally shaped continuum that I call the measuring stick of Sonship with Orphan at the far left end of the continuum and Slave at the far right end of the

continuum. When Orphan and Slave are infused with supernatural powers like divination, Orphan has another name and that name is jezebel. When Slave is infused with supernatural powers that are not from the Holy Spirit (in other words, divination) it has the name of python. I already mentioned Python. Python is important because he is the reigning Spirit over the Coronavirus. Python squeezes the spiritual breath out of people and that spiritual breath is Holy Spirit. Sometimes, python will try to squeeze out the literal breath of people to try to get to their spiritual breath. Therefore we have Coronavirus attacking our literal breath through pneumonia. Pythons can also paralyze us mentally and sometimes even physical paralysis through overwhelming fear. Pneumonia and Fear—sure sounds like the two-prongs of attack from the Coronavirus

I will speak more about broken Sonship in a future podcast. If you would like to hear more, please subscribe to my Youtube channel and that will be a signal from God to keep speaking out his Word through such a medium. I don't want a thing I do to be outside the will of God. Therefore I will only know to speak further through the medium of youtube, if God takes my mustard size Word of God and sows it far and wide and there is a great harvest. Then, I will know that the Lord's face shines upon this and I will keep on recording...

As God's sons, we receive the Full Inheritance, and the Full inheritance includes a long life, living out our entire life span as planned by God. In Exodus 23, it says:

“You shall serve the Lord your God, and he will bless your bread and your water, and I will take sickness away from among you. None shall miscarry or be barren in your land; I will fulfill the number of your days.”

If you are being mastered by Fear right now, during the Coronavirus pandemic, then fear is your Master. Your God is not Yahweh, but Python, the Spirit of Fear.

If your broken identity makes you feel like a Slave towards God, then you will walk with little or no inheritance because Slaves don't get an Inheritance. This is satan's reason to steal, kill, and destroy your identity as Sons of God. He doesn't want you to walk in your full Inheritance to be God's Prophets, Priests, and Kings. If you relate to God more like a Slave than like a Son, you lose this Inheritance that only Sons get an Inheritance; slaves do not get an Inheritance.

What else is part of the Inheritance? Scripture says that God will bless you and that you will fulfill the number of your days, —but if you're living in a Slave identity towards God, then you don't get this Inheritance, which includes a long life. God isn't your father; he's your Master and you're his Slave.

As I near the end of what I want to say, today, the Day of Atonement, I want to circle back to Malachi 4.

Malachi 4 talks about an incredible outpouring of healing, as the SUN of righteousness rises with healing in his rays. God has been speaking to me about this incredible

outpouring of healing, ever since we put Python under our feet, when my daughter was miraculously healed. Malachi 4 calls this outpouring “Elijah”. It is called Elijah because Elijah puts jezebel under his feet.

Elijah is called the SUN of righteousness and what happens when our faces face the SUN of righteousness? They will radiate the glory of God, just as Jesus radiated the glory of God when he met with Elijah and Moses on the Mount of Transfiguration.

If it seems very odd to you to hear a Word from the Lord that speaks so much about sin, repentance, and which chastises us, —this is because the Christian body has been deceived by false prophecy already. For some reason, there has been false teaching going around for decades that God no longer speaks judgement towards his children. Look at scripture, ALL the writings of the Prophets in the Bible spoke of correction and judgement. Why would it be any different in our present age? Are we needing less chastisement and less discipline than ancient Israel? If anything, I think we are way worse in behaviour than the ancient Israelites!

The Lord told me that when people prophecy without complete love, they are moving in something called, “Premature Authority”. Premature Authority was a Word spoken out prophetically in a meeting I attended. This piece of vocabulary is not my own. Premature Authority is authority, but it is premature. It is not mature, because it lacks complete love. Full Authority means authority made complete in love. Premature Authority prophesies a lot of wonderful and positive things, but that is only half the story. What is missing is how to get from where we are, to all those wonderful things that God has spoken as his plans for us. What is missing? What is missing is always, always, always some change needed on our part through true recognition of sin, true humility and true repentance. This is the missing ingredient. This is why there is a lot of prophecy but little fruit to show for it. We are hearing only half the story. We’re not hearing how to move from “A” to “B”. How to move from where we are, to where God blesses us with our Full Inheritance needs recognition of sin and repentance.

People love to hear prophecy when it is all positive, but this is the tickling of people’s ears that 2 Timothy 4 speaks about. True Authority will suffer the misunderstandings and rejection that correcting people of their sins brings. Therefore a true prophet of the Lord is hated, misunderstood, just like the biblical prophets. False prophets, because they only prophesy half the story—-the positive half, are surrounded by adoring fans. False prophets are not made perfect in their faith and trust in God, therefore they can’t risk angering the people they minister to, for fear of taking a hit on any potential financial donations from the people they prophesy to. Prophesying for money...the sin of Gehazi & Balaam. Prophesying for validation and the worship of Man....These are all expressions of the wound of Orphan. I can’t get into this right now, but I will speak about this wounding of our self-image, identity as Sons of God called, “Orphan” too, one day.

Be heartened, little children, God only disciplines those he loves, his Sons and chastises those he receives (Hebrews 12).

Now, let me close in prayer for all of you, listening to this, today. If this is the Word of God, it will be confirmed by healing for some of you listening. It says that faith comes by hearing and hearing by the Word of God. At the same time, I won't have any way of knowing if people are being healed of their Fear during the Age of Coronavirus, if people are being healed of their sicknesses, diseases, or mental health issues etc. due to hearing this Word of God. Actually, I'm glad I won't have any way of knowing, because then it will truly be "all God" and nothing about me. I prefer it to be this way.

Prayer

Let me pray for you, now.

Lord, this is my mustard seed size of your Word. I'm sowing it and I pray that you would help it find good soil, so that it may grow to be the largest tree that bears incredible fruit and where the birds of the air perch on its branches. Lord, I know it's not with fancy words or clever arguments that your Word takes seed. I struggle with trying to express things as I hear you speaking to me, about. I am no one and nothing. For whatever reason, you've chosen to show me these things so I pray that you would speak to each individual hearing these Words, and the gentle Holy Spirit would testify to each spirit if these Words are your words, and what their hearts should do in response to them. Let your Word result in true understanding and true repentance, the we may turn away the hand of the Lord's discipline though the Coronavirus. The Bible says that it is not by Might, nor by Power, but by YOUR spirit that the mustard seed multiplies into an overwhelming harvest, completely disproportionate to the effort that was put into it.

Lord, may people be healed as they hear this Word from you and as people align themselves with your truths and make their hands clean and their hearts clean. May the children of God be healed of their Orphan and Slave identities. As they are healed of their broken self-images before their Father God in heaven, may they be healed of sickness, disease, infirmities, and mental health problems—no matter how small or large.

Now, may the Lord bless you and keep you. The Lord make his FACE SHINE upon you —-mask or not mask. The Lord lift up his countenance to you and give you PEACE. Peace during the Age of Coronavirus.

I mentioned at the beginning of this podcast that I usually write. For those of you that still enjoy reading, I will post the transcript of this podcast on my website, www.isaacsonofpromise.com

In addition, on that website, I will post a 24 page Word of the Lord that the Lord gave me in March of this year, just as the Pandemic started. I've grown a lot in the 6 months since I wrote out that Word. The Lord has spoken to me about so much more, since

March. Still, the Word from March still stands and in some ways, explains in more detail some of the things I discussed today.

If you would like to hear more from me, please subscribe to my youtube channel. If I don't get many subscribers, I will know that this is not the medium that God wants me to use.

What is happening now during the Age of Coronavirus was prophesied in Malachi 4. Let me read it to you to finish off...

The Day of the LORD

“For behold, the day is coming, burning like a furnace, when all the arrogant and every evildoer will be stubble; the day is coming when I will set them ablaze,” says the LORD of Hosts. “Not a root or branch will be left to them.”

“But for you who fear My name, the sun of righteousness will rise with healing in His wings [healing of the SUN virus—the Coronavirus that attacks our literal breath through pneumonia and our spiritual breath through paralyzing fear], and you will go out and leap like calves from the stall. Then you will trample the wicked, for they will be ashes under the soles of your feet on the day I am preparing,” says the LORD of Hosts.

“Remember the law of My servant Moses, the statutes and ordinances I commanded him for all Israel at Horeb.

Behold, I will send you Elijah the prophet before the coming of the great and awesome Day of the LORD. And he will turn the hearts of the fathers to their children, and the hearts of the children to their fathers. Otherwise, I will come and strike the land with a curse.”

The “sun virus” (Coronavirus—the outer most layer of the sun is called its ‘corona’) has been sent to come against the SUN of righteousness.

The part referring to turning the hearts of the Fathers to the Sons and hearts of the Sons to the Fathers has to do with the healing of Orphan and Slave wounds that have robbed us of a healthy and true relationship to God, our Father.

Pray: Lord, release the outpouring of the Holy Spirit for righteousness and for healing, called Elijah, the Sun of Righteousness. Turn the hearts of Fathers to their children and the hearts of the children to their fathers, as you prophesied so many years ago. Heal those generational wounds between parents and their children, and as those generational wounds are healed, we will find healing at the same time of our broken child identities with our Father in heaven. If our faces correctly mirror the image of God the Father to the world, and especially to children, then we are closer to relating to God the Father in true Sonship. Then, we will go out and leap like calves when healing appears on his wings.

Amen
